

RESOLUTION NO. R-14-03

**A RESOLUTION AMENDING R-06-14**

WHEREAS, the Town Council of Georgetown, Indiana is the entity responsible for the Town's water utility; and

WHEREAS, the Town Council understands that certain diameter water lines are required in construction of certain facilities to insure the public safety and to provide required fire protection; and

WHEREASE, the Town Council desires to provide relief to commercial water users with a 1.5" water meter which was installed solely for fire protection service;

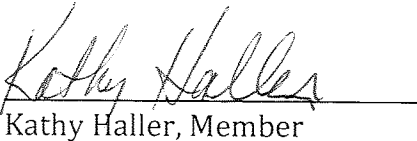

NOW THEREFORE, BE IT RESOLVED AS FOLLOW:

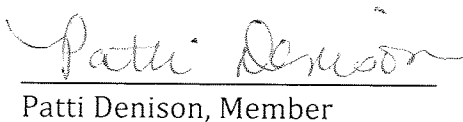

1. That commercial water users that implement or have implemented a 1.5" water meter solely for fire protections services and not for regular water consumption purposes shall be charged the Water Rate Number 2 as billed by the Georgetown Water Utility.
2. That the rest and remainder of Resolution R-06-14 is hereby nullified and void.

So resolved by the Town Council of Georgetown, Indiana this \_\_\_\_ day of December, 2014.
