## **8795 State Road 64**

There have been previous issues regarding animal control. Chris Loop went to the property today and the yard is overgrown and there is junk and rubbish in the yard. Chris Loop would like for the Town Council to approve mailing the homeowner a letter. Billy Haller wrote both of those up over a week ago. It is currently in Jamie Schillmiller's hands. Chris Loop would like to ask for the Town Council to approve that Kristi Fox send the homeowner a letter saying that he is in violation and will have 20 days to correct the vegetation, as well as, the junk items that are in the yard.

Chris Loop would like to know what fund legal expenses can be paid out of. Is EDIT allowable if we are having people clean up their yards? What other funds may be used other than General?

Homeowners need to start taking accountability for cleaning their homes up.

Chris Loop would like for Kristi Fox to send a letter that they are in violation of the order and that there are 20 days to correct. If we haven't seen any movement then we can direct Travis Speece.

Chris Loop made a motion to have Kristi Fox send a letter to 8795 State Road 64 for violation of Ordinances. Seconded by Kathy Haller and approved 5-0.

## **Interlocal Agreement for Transfer of Roads**

There are some roads that need to be cleaned up so that INDOT has a clear picture. There is an exhibit to go with the agreement. It will still need to go in front of the Floyd County Council and the Floyd County Commissioners.
