**New Business**

**Amending the Façade Grant from \$5,000.00 to \$10,000.00.**

Kristi Fox reviewed the changes that were made to the grant application. Kristi Fox explained that all improvements must comply with the Town's required building permits. That language is used in the first paragraph to prevent any future confusion and because it is required in our zoning regulations. Kristi Fox bolded/underlined the sentences stating the application must be approved before any work begins and the applicant needs to be present at the meeting to answer any questions from the Board. These were a few problems we kept running into and hopefully this will help clear up any confusion in the future.

Kim Courtney made a motion to approve the changes Kristi Fox made and to send the revised application to the Town Council for approval. Seconded by Brandon Hopf and approved 3-0.

**Misc. Business**

Nothing to report.

**Adjournment**

Kim Courtney made a motion to adjourn the meeting. Seconded by Jason Parrish and approved 3-0.
