Permit Requirements: Individuals who sign the permit shall be fully responsible for ensuring all utilities (above ground and below) have been properly marked by 811 and disconnected from the structure prior to any demo work starting. Applicant is also responsible for installation and maintenance of all erosion control measures needed to prevent sediment or other materials from leaving the site and entering the storm drainage system or drainage ways. Applicant must secure the demo site with a temporary construction type of fencing. Applicant shall be responsible for all costs associated with disconnection of utilities and installation and maintenance of erosion control measures. Before any work can start, a mandatory inspection must be completed by the Town of Georgetown's Wastewater Treatment Department. Jamie Schillmiller - 502-376-3323.

NOTE: The applicant is responsible for keeping all debris, dirt, gravel, and mud off of the roads, right-of-ways, etc. All dust must be kept to a minimum. Questions concerning these directives and requirements should be directed to the Town of Georgetown's Building and Planning Department at 812-951-3012 EX.3.

The State of Indiana statute requires a demolition permit applicant to reveal the location where debris created from the demolition will be properly disposed. The address of that location site must be listed below.

I hereby certify that I have the authority to make the foregoing application; that the application is correct, and that the demolition shall conform to the regulations in the Town of Georgetown's Building and Zoning Ordinances.
